

Rail Traction Supplies SAE 30 Lub Oil (Product Code RTS/SAE30)

Description

A monograde oil for both turbo charged and naturally aspirated petrol and diesel engines.

Performance Levels

- API: CE/SH
- Allison: C3
- MIL-L-2104D
- Caterpillar: TO-2
- MIL-L-46152C
- Mercedes Benz: 228.1
- CCMC: D4 G2

Benefits

Excellent value oil with all round performance, meeting the latest CCMC shear stability requirements. Economic mixed fleet applications.

Typical Data

| | | SAE 30 |
|--------------------------|-------------|---------------|
| Specific Gravity | @ 15°C | 0.884 |
| Kinematic Viscosity | @ 100°C cSt | 10.4 |
| | @ 40°C cSt | 64.0 |
| Pour Point (°C) | | -20 |
| Flash Point (°C) | | 225 |
| Viscosity Index | | 126 |
| TBN (mg KOH/gram) | | 10 |
| Sulphated ash (% weight) | | 1.4 |
